

Europe Education & Industry Practices Committee

Purpose

The Europe Education & Industry Practices Committee of PBSA is committed to ensuring PBSA is the go-to source for expert knowledge on the screening profession globally.

The Education & Industry Practices Committee:

1. works to enhance resources for all members,
2. is responsible for sponsoring monthly webinars and articles,
3. provides guidelines to members with regards to screening practices.

Reporting

The Education & Industry Practices Committee reports to the Europe Council.

Meetings

The Education & Industry Practices Committee will meet monthly to plan for completion of goals for the current year. Goals are driven by the association's strategic plan.

Configuration

The Education & Industry Practices Committee Chair will review task forces on an annual basis and ensure that staff has a current list.

The term limit for the Education & Industry Practices Committee is typically two years.

Interested in Joining? We'd Love to Have You.

- Serve on the committee (approximately 1 hour/month) – The Education & Industry Practices Committee meets mostly during the Lunch & Talk sessions to gather topics of interest for our members
- Task Forces –
 - Resource library content review (1 hour/month) – This new task force will be reviewing the content of the resource library, assigning categories to the content, creating a review and retire schedule, and participating in enhancing the user search experience.
 - Country Fact Sheets drafting (1 hour/month) – The purpose of this task force is to define in-country professional screening activities pointing to legislation and regulation, as well as cultural considerations in order to advance excellence in the screening profession.
- We also welcome anyone interested in presenting a monthly webinar or conference session to reach out. We also have mentorship opportunities available for anyone that wants to get into speaking but would like a little extra guidance.
